McKnew's Daily Letter.

CHILDREN'S AND MISSES "Custom-Made" Coats and Cloaks.

Don't make the mistake of buying a "cheap" cotton coat or cloak for your child. We positively refuse to handle them. We have no satisfaction in either the seller or buyer. All of our Coats and Cloaks for misses and children are practically "custom made" for each individual child. Every single part is finished with scrupulous care and equal to the best custom tailoring. You won't find a handsomer or more stylish line in the city, as many of them are made expressly for us in "style" copied from the latest Parisian creations.

Note these two specials in each line, which give a fair hint as to the run of prices.

Misses' Navy Blue Diagonal Cheviot Coats, with the new "Worth" collar, trimmed with Hercules braid, stitched seams and finished with large fancy buttons, sizes 6 to 12 years. Coat would sell elsewhere at \$10 or \$12.

OUR PRICE, \$8.75 EACH.

Children's and Misses' "Novelty" Mixed Tan Long Coats, new shaped cape, balloon sleeves, a very stylish and becoming Coat. Sizes 4 to 12 years. Coat would sell elsewhere at \$8.75 to \$10.25.

A SPECIAL IN COATS.

Bear this in mind. You can rely upon the quality, style and fit of all Coats bought of us. Note this special.

Ladies' Handsome Black Broadcloth Cheviot Coat, having the cape, collar fur and pockets edged with electric seal fur. Just the coat you probably noticed advertised elsewhere at \$10.

HERE ONLY \$12.50 EACH.

"NOVELTY" CAPES.

Not only are our Capes vastly superior in every manner to those shown elsewhere, but our prices are lowest.

Children's and Misses' Black Cheviot Cape, finished with the improved "Worth" collar and braided. Elsewhere, \$10.

HERE ONLY \$8.50 EACH.

A LITTLE NOISE IN GLOVES.

We have on hand about three dozen odd 4-button and 4-button Mousquetaire Kid Gloves, black, white and colors, slightly imperfect. Prices were \$1.25, \$1.50 and \$2.

TOMORROW, 29c. PAIR.

Small lot of 4-button Kid Gloves, which were \$1.

TOMORROW, 59c. PAIR.

THE "LATEST" IN RIBBONS.

No need to remind you of the fashionable-ness of "black and white effects" in ribbons. We have a complete line of them in satin and gros grain, surah, satin and faille, etc., in the straight, diagonal and cross stripes. Specially desirable for millinery and dress making. 2 1/2 to 5 inches wide, 30c. to 60c. per yard.

5-inch Satin and Gros Grain Ribbon, the usual 50c. quality, only 42c. per yard.

The Store is Vital With Intensity, A Rare Quartet of Events Just Now, THE SILK SALE, THE DRESS GOODS SALE, THE CURTAIN SALE, THE LINEN SALE

The Silk Story

Reads like romance. You might think it were in fact within these columns. The facts are so great that a brief statement has created quick buying—comment is not needed. The Silks are from the auction sale of the Phoenix Manufacturing Company, held in New York October 18. We bought 120 pieces. We are selling them lower than they can be produced and sold for by the manufacturer.

THERE ARE CHANGEABLE AND OMBRE STRIPED AND BROCADED GLACE SURAH, AND BLACK SURAH AND GLACE TAFETAS AND STRIPED GLACE TAFETAS, &c., 19 TO 22 INCHES WIDE.

50, 55 AND 65c.
REGULAR RETAIL PRICES.
75c. TO \$1.00.

They won't last long—we don't expect them to at such prices.

The Dress Goods Story

Is of equal importance, and the sale enters upon its second day with the same fullness of value. It was a most advantageous purchase from the maker himself—presents an opportunity that will be appreciated by every economical woman.

Navy Blue Storm Skirt, cotton warp, excellent value, full 45 inches wide.

25c. REGULAR RETAIL PRICE 37c.
Two-toned Pinhead Checks, fashionable colors, 38 inches wide.

29c. REGULAR RETAIL PRICE 50c.
Two-toned Checks, in the new fall shadings, strictly all wool, 38 inches wide.

37c. REGULAR RETAIL PRICE 50c.

The brightness of this sale will not be dimmed until the last yard is gone. The fullest values we've ever made.

The Curtain Story.

Is made interesting by added attractions daily. Choice specimens of our own importation offered at lowered prices, and thousands of the Curtains—of all genuine worth—from the great peremptory trade sale of the Bromley and the Wilkes-Barre Manufacturing Co.'s, at one-quarter to one-third less than the usual, together make this the most important Curtain sale in the history of the retail trade of Washington. It is augmented daily by such things as these:

\$25 Window Shades, mounted on self-acting spring rollers. 15c.
3-fold Antique Oak Fire Screens, mounted in aluminum. \$1.95
Chenille Table Covers, fine quality, rich coloring. 8-14 size, a new lot. \$1.25

The Linen Story

Had as many readers as the silk and the curtain stories. The general recognition of the supremacy of this house in the linen business is of long standing and is evidenced by the response to a linen announcement. It matters not when it is made. We're grown to expect this invariably—and we're always striving still further to merit it.

Every sort of Linen is easier to buy today than for many a year past.

Whatever can be saved by large buying from the makers and by taking advantage of every opportunity the market offers you can count on getting here.

For tomorrow 500 dozen German Huck Towels, hemmed, ready for use, very heavy, but soft and absorbent, full 18 1/2 inches.

12c. REGULAR RETAIL PRICE 19c.
50 pieces Bleached German Damask, soft and free from staining, good patterns.

40c. REGULAR RETAIL PRICE 50c.
This is the price trend of the entire Linen stock—investigate.

Boys' Chinchilla Reefers.

Hard times and warm weather push the men who make chinchilla to the very last notch of accommodation. They urge us to take their goods, and we, when we do, it's only to sell them much under price. They are leading up to Reefers. We bought another lot under just these conditions. Any size from 4 to 15 years.
